

St Roberts Basketball - 2023-24 CYO Elementary and Middle School Season - UPDATED

Parents/players,

The summer is almost over and we are getting ready for another SRB Basketball season for children born between 2010 and 2016.

If this is your first year on a St Robert's Basketball team, you may be required to provide a copy of your child's birth certificate and a copy of a phone, cable, or utility bill for proof of age and address.

The CYO Team Fee (per player) is \$125 and the Gym Fee (per family) is \$50. Example, if you have 2 players in the program, regardless if it's on the same St Robert's team, your total fee is $(\$125 \times 2) + \$50 = \$300$. The fee does not include the team uniform.

A CYO Athlete's Membership ID is a **prerequisite** to registering for any CYO sport. The CYO Membership Fee is \$10 and the process is entirely online - see links below.

The age cutoff is January 1st. Example, anyone born in 2010 (Jan 1st to Dec 31st) will be on the 8th grade team.

There will be approximately 10-14 games plus playoffs for the 4th grade team and higher for non-developmental divisions. Games will be either Saturday or Sundays (usually) at "home" or at a nearby parish within an 8 mile radius.

Registration Dates are held at the Gym entrance located on the corner of 214th St and 56th Ave:

Thursday, Sept 21st 7:15 – 8:00pm

Saturday, Sept 23rd 2:30 – 3:30pm

The Parish boundaries are also attached for reference as most players on a team are required to reside within the zone, in some cases waivers could be filed.

Practice schedules haven't been finalized for all teams.

Please note late registration will be considered on a case by case basis.

CYO *has not* published this seasons dates yet, but as reference, last year's important dates are:

The basketball program is managed entirely by volunteers and is not funded by the Parish. There are fees collected at registration that are established solely to cover the league, equipment, referee fees, and maintenance/expenses.

There will also be an opportunity at registration to volunteer to assist with the many activities that are necessary to ensure an organized and safe experience for all participants. The program exists only because of the efforts of volunteers, and ***your help*** is needed.

Upcoming instructional clinic sessions for Kindergarten through 2nd grade will be announced shortly.

Feel free to reach out with any questions.
