

February 14th is World Marriage Day! Celebrate it with a Valentine's Gift.

Here's a gift you can give to each other – seven evenings at home that can enrich your marriage/sacrament. Take two hours on Mondays and Thursdays to concentrate on your spouse. An enrichment called Restore, Rekindle, Renew (3RE) is being offered virtually to all married couples, priests and religious. The Experience will begin on February 22, and concluding on March 15. Pre-registration is **required**. Please go to **www.wwme.org**, or call **877-697-9963** to register or for further information. Additional dates for the 3RE are 4/8-4/29, 5/3-5/24, and 6/3-6/24. Full-weekend Experiences (Friday evening to Sunday afternoon) are scheduled for 2/12-14, 3/19-21 and 4/23-25. All are VIRTUAL at this time. With the convenience of Zoom, your participation is not limited to your local area. Search for **virtual** on the website for your best dates.
